Annual CEU Activity Title: **Online Review Course in Medical Genetics and Genetic Counseling**
Effective Dates: **October 5, 2021 – October 5, 2023**
Annual Activity Location: **Online**

I understand that I must indicate below that either (a) I have no financial interest in any commercial entity whose products or services are described, reviewed, evaluated or compared in the Presentation; or (b) I have a financial interest in a commercial entity whose products or services are described, reviewed, evaluated or compared in the Presentation. I must disclose any financial interest I may have in any commercial entity whose products or services are described, reviewed, evaluated or compared in the Presentation. For example, I must disclose if I (i) have an ownership interest in such a commercial entity; (ii) have a financial interest in any product or service discussed in the Presentation; (iii) are employed (whether full or part-time) by such a commercial entity; (iv) own all or part of any patent licensed to such a commercial entity; (v) have an ongoing relationship (e.g., as a consultant, agent, representative, speaker, etc.) with such a commercial entity; or (vi) have received financial compensation for your Presentation.

At the beginning of each presentation, I agree to provide verbal and written disclosures to attendees (conflict of interest disclosure on slides is required) regarding actual, potential or perceived conflicts of interest, and include the nature of the relationship as stated above. If I do not have any identified conflicts of interest, then the learner(s) will be informed that no conflict of interest exists.

I have indicated in my statement above if the educational content, materials, and/or slides have been developed by a commercial entity. I also agree to disclose this information to attendees.

I agree to use generic names (i.e., non-branded names) in my presentation as much as possible. Specific products or commercial entities will neither be promoted nor disparaged. The content of my educational presentation will not contain advertisements for a specific product, company, and/or service. My presentation will be free of branded slides and commercial logos.

Do you have a financial interest in any commercial entity whose products or services are described, reviewed, evaluated or compared in the Presentation? No. Yes
